## Northern Ireland

*028 9442 6704*

## Republic of Ireland

*George - 00353 8725 69 072*

A comprehensive training programme is provided through the Board's subsidiary British Wool Marketing Training Ltd.

Trainee shearers learn their skills through an accredited 'Seal' award system. Starting at the first level of Blue Seal, through to Bronze, Silver and finally the Gold Seal award.

Your Wool Board is committed to encouraging and advancing shearing and wool related training at all levels, to ensure there is a skilled shearing force throughout Britain.

*"Go on as many shearing courses as you can and if you get the opportunity to go to New Zealand then take it and always try and work with someone better than yourself"*

**Ross Crang**
